

# *Forget Me Knot*

How-to-Tie Training Guide for Leather Lariats  
& Color Cords

**PANDORA™**  
UNFORGETTABLE MOMENTS

*Leather Lariat*  
*Necklaces and Bracelets*

## *Totem Knotted Leather Necklace*

PANDORA jewelry needed:

- 100 or 150 cm leather lariat with 14K gold or sterling silver tips
- Selected MOMENTS charms

**1** Bring the two tips together to create a doubled lariat and tie a knot near the tips. Alternatively, lengthen the lariat by foregoing the knot and placing a Murano glass charm next to the tips instead.

**2** Thread the remaining MOMENTS charms through the loop end of the lariat and allow these to settle at the base of the knot.

Tip: Mixing Murano glass charms with coordinating enamel charms creates a stunning, exotic look.

## *Double Knotted Leather Necklace*

PANDORA jewelry needed:

100 or 150 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1 Bring the two tips together to create a doubled lariat and tie a simple knot at least  $\frac{3}{4}$  of the length down the lariat.
- 2 Slip the PANDORA MOMENTS charms through each tip and secure these in place by tying another knot at each end.

Tip: Use 14K gold and sterling silver charms with colored gemstones to add a touch of sparkle.

## *Pendulum Leather Necklace*

PANDORA jewelry needed:

100 or 150 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms, including a Murano glass charm

- 1 Bring the two tips of the leather lariat together to create a doubled lariat.
- 2 Thread a Murano glass charm onto the lariat, then slip one tip through the loop end and pull to tighten around the charm.
- 3 Finish by threading the other MOMENTS charms over both tips and securing these by knotting the the tips.

Tip: Use one of the larger Murano glass charms to create a bolder look.

## *Knotted Leather Necklace*

PANDORA jewelry needed:

Two 100 or 150 cm leather lariats with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1** Bring the four tips together to double the lariats and tie a simple knot at least  $\frac{3}{4}$  of the length down the lariat.
- 2** Slip the PANDORA MOMENTS charm through each tip below the knot and secure it in place by tying another knot. Continue adding more charms, tying knots after threading each on.

Tip: Use 14K gold spacers to add texture details to the necklace.

## *Doubled Leather Necklace*

PANDORA jewelry needed:

100 or 150 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS dangle charm or STORIES pendant

- 1** Thread the MOMENTS charms onto the lariat, then slip the MOMENTS dangle charm or Stories pendant onto the lariat.
- 2** Loop the leather lariat over so that it wraps around the neck twice and secure with a knot.
- 3** Adjust the MOMENTS dangle or STORIES pendant so that it lies on the upper loop of the lariat necklace.

## *Loop Leather Necklace*

PANDORA jewelry needed:

100 or 150 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1** Bring the two tips together to create a doubled lariat and thread the MOMENTS charms through the loop end, allowing these to settle upon the center of the leather lariat.
- 2** Slip the tips through the loop end and tie a simple knot at the desired length. Add variety to this look by tying the knot at a shorter length.

Tip: Use 14K gold or sterling silver Murano glass charms as accents to add splashes of rich color.

## *Knotted Leather Bracelet*

PANDORA jewelry needed:

100 or 150 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1** Bring the two tips together to create a doubled lariat and tie a knot near the looped end.
- 2** Thread a MOMENTS charm onto the lariat and secure its placement with a knot. Repeat this process with the remaining charms.
- 3** Tie a knot to secure the bracelet around the wrist.

Tip: Use 14K gold charms to add a luxurious touch to the bracelet.

## *Doubled Leather Bracelet*

PANDORA jewelry needed:

100 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS charms, including Murano glass charms

1

Bring the two tips together to create a doubled lariat, then fold again.

2

Gently thread the MOMENTS charms through the loop ends of the leather lariat.

3

Secure the charms by knotting the ends together.

Tip: For a stunning look, fold the lariat in half only once before threading the MOMENTS charms so that the lariat itself wraps twice around the wrist.

## *Interlaced Leather Bracelet*

PANDORA jewelry needed:

100 cm leather lariat with 14K gold or sterling silver tips

Selected MOMENTS spacers in 14K gold and sterling silver

- 1 Bring the two tips of the lariat together to create a doubled lariat.
- 2 Thread a MOMENTS spacer through both tips of the lariat, then thread the looped end of it through the opposite side of the spacer.
- 3 Repeat this weaving process with the remaining MOMENTS spacers, adjusting their placement so that these are evenly distributed.
- 4 Finish by knotting the ends together to secure the bracelet in place.

*Color Cord*  
*Necklaces and Bracelets*

## *Totem Color Cord Necklace with Pendant*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms and a STORIES pendant

- 1** Bring the two tips of the color cord together to create a doubled color cord.
- 2** Thread the STORIES pendant on and secure it by feeding the tips through the loop end and tightening the cord around the pendant.
- 3** Slide the other MOMENTS charms on, letting these rest upon the pendant.
- 4** Finish by knotting the tips together.

## *Totem Color Cord Necklace with Dangle*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS dangle charm

- 1** Thread the MOMENTS dangle charm onto the color cord, then bring the two tips together and tie a knot, keeping the knot hidden by the dangle charm.
- 2** Thread the remaining MOMENTS charms through the loop end of the color cord, allowing these to rest upon the dangle charm.

## *Braided Totem Color Cord Necklace*

PANDORA jewelry needed:

Two 100 cm color cords with 14K gold or sterling silver tips

Selected MOMENTS charms, including a Murano glass charm

- 1** Thread a Murano glass charm onto both color cords, then bring the four tips together to create two doubled cords.
- 2** Thread the remaining MOMENTS charms through all four tips, allowing these to rest upon the Murano glass charm.
- 3** Braid the cords together to the desired length and finish by knotting the tips together.

## *Doubled Color Cord Necklace*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS dangle charm or STORIES pendant

- 1** Thread the MOMENTS charms onto the color cord, then slip on the MOMENTS dangle charm or STORIES pendant.
- 2** Loop the color cord over so that it wraps around the neck twice and secure with a knot.
- 3** Adjust the MOMENTS dangle or STORIES pendant so that it lies on the upper loop of the color cord necklace.

Tip: Mimic this look with a leather lariat and 14K gold charms.

## *Knotted Totem Color Cord, with Pendant and Clip*

PANDORA jewelry needed:

100 cm color cord with 14K or sterling silver tips

Selected MOMENTS charms, including a clip, and STORIES pendant

- 1** Bring the two tips of the color cord together to create a doubled color cord.
- 2** Thread the STORIES pendant on and secure it by feeding the tips through the loop end and tightening the cord around the pendant.
- 3** Use a clip to secure the pendant in place.
- 4** Thread a MOMENTS charm on, letting this rest upon the clip and create a knot.
- 5** Thread another MOMENTS charm on, above the knot, and separate the color cord in half.
- 6** Create a knot approximately 1 inch above the last MOMENTS charm on each side of the color cord.
- 7** Thread MOMENTS charms on each side above the knots created and finish by knotting the tips together.

## *Color Cord with Ring and Clips*

PANDORA jewelry needed:

Two 100 cm color cords with 14K or sterling silver tips

Selected MOMENTS charms, including Murano glass charms and 4 clips, and a STORIES ring

- 1** Bring the two tips of one color cord together and thread a ring onto it, securing it by feeding the tips through the loop end and tightening the color cord around the ring.
- 2** Repeat Step 1 with the second color cord and tighten this color cord around the ring on the opposite side.
- 3** Place a clip on both color cords on each side to secure the ring in place.
- 4** Thread MOMENTS charms onto each color cord, letting these rest upon the clips.
- 5** Create a knot approximately 2 inches above these MOMENTS charms on each color cord.
- 6** Place clips on top of the knots created on each color cord and thread the remaining MOMENTS charms on, letting these rest against the clips.
- 7** Finish by knotting the tips of both color cords together.

## *Color Cord with Liquid Silver Pendants*

PANDORA jewelry needed:  
100 cm color cord with sterling silver tips  
Selected LIQUID SILVER pendants

- 1** Bring the two tips of the color cord together to create a doubled color cord.
- 2** Thread the LIQUID SILVER pendants onto the color cord, placing these towards the looped end of the cord.
- 3** Feed the tips through the loop end of the cord and create a knot.

## *Loop Color Cord Necklace*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS dangle charm or STORIES pendant

- 1** Bring the two tips together to create a doubled cord, then thread half of the MOMENTS charms onto the color cord, excluding the dangle charm or pendant.
- 2** Thread the MOMENTS dangle charm or STORIES pendant, then continue threading the remaining charms onto the color cord.
- 3** Fasten the color cord necklace around the neck with a simple knot, adjusting the length as desired.

## *Totem Color Cord with Pendant & Suspended Charm*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS dangle charm or STORIES pendant

- 1** Bring the tips of the color cord together to create a doubled cord.
- 2** Pull the loop end over and through the MOMENTS dangle charm or STORIES pendant, then slip the tips through the loop and tighten around the dangle or pendant before threading all but one of the MOMENTS charms onto the color cord.
- 3** Using the last charm, feed one tip of the color cord through one side of the charm, then slip the other tip through the other side of the charm. Secure with a knot near the tips while adjusting to the length desired.

## *Totem Color Cord Necklace with Pendulum*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a Murano glass charm

- 1** Bring the tips of the color cord together to create a doubled cord.
- 2** Thread the loop end through and over the Murano glass charm, then slip the tips through the loop and pull to tighten the color cord around the charm.
- 3** Thread the remaining MOMENTS charms through the two tips of the color cord, allowing these to rest upon the Murano glass charm. Secure the necklace with a simple knot.

## *Pendulum Color Cord Necklace with Clip*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a Murano glass charm and clip

- 1** Bring the tips of the color cord together to create a doubled cord.
- 2** Thread the loop end through and over the Murano glass charm, then slip the tips through the loop and pull to tighten the cord around the charm.
- 3** Use a clip to hold the charm in place and secure the necklace with a simple knot.

## *Knotted Pendant Color Cord Bracelet*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected STORIES pendant(s) and a MOMENTS clip

- 1** Bring the two tips of the color cord together to create a doubled cord, then fold again.
- 2** Thread a STORIES pendant onto the center of the color cord, tying a knot on either side of the pendant. Tip: Add a second STORIES pendant for a dramatic look.
- 3** Use a coordinating clip to secure bracelet around the wrist.

## *Interlaced Color Cord Bracelet*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS spacers in 14K gold and sterling silver

- 1** Bring the two tips of the color cord together to create a doubled cord.
- 2** Thread the tipped end through one side of a MOMENTS spacer, then thread the loop end through the other side of the spacer. Position the MOMENTS spacer near the end of the color cord.
- 3** Repeat this weaving process with the remaining MOMENTS spacers, adjusting their placement so that these are evenly distributed.
- 4** Knot the ends together to secure around the wrist.

## *Doubled Color Cord Bracelet*

PANDORA jewelry needed:

One or two 100 cm color cords with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1 Bring the four tips of the color cords together to double the cords.
- 2 Thread the MOMENTS charms onto the center of the color cord.
- 3 Tie a knot to secure bracelet around the wrist.

Tip: Use charms with coordinating gemstones or Murano glass to add the perfect, finishing touch.

## *Doubled Color Cord Bracelet with Clip*

PANDORA jewelry needed:

100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS clip

- 1 Bring the two tips of the color cord together to create a doubled cord, then fold again.
- 2 Thread the MOMENTS charms onto the color cord.
- 3 As an alternative to tying a knot, fasten a clip to secure the color cord around the wrist.

Tip: Use a gemstone charm between charm spacers to create a balanced look.

## *Interlaced Color Cord Bracelet*

PANDORA jewelry needed:

One 100 cm color cords with 14K gold or sterling silver tips

Selected MOMENTS charms, including a Murano glass charm

- 1** Bring the two tips of the color cord together to create a doubled cord, then fold again. Thread the Murano glass charm and position it in the center of the color cord.
- 2** Taking the two loop ends on the right of the centered MOMENTS charm, slip one loop end into one side of another MOMENTS charm, then slip the other loop end through the other side of the charm.
- 3** Using another MOMENTS charm, repeat this weaving step with the other ends of the color cord on the left of the centered MOMENTS charm. Finish with a knot.

## *Braided Double Color Cord Bracelet*

PANDORA jewelry needed:

Two 100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms, including a MOMENTS clip

- 1** Bring the four tips of the color cords together to create two doubled cords.
- 2** Braid the two doubled cords together, then thread the MOMENTS charms onto the center of the braided bracelet.
- 3** Wrap the braided bracelet twice around the wrist and secure with a MOMENTS clip.

## *Hook & Eye Bracelet*

PANDORA jewelry needed:

One 100 cm hook and eye 14K gold or sterling silver bracelet

One 100 cm color cord with 14K gold or sterling silver tips

Selected MOMENTS charms

- 1 Remove hook & eye from the bracelet.
- 2 Select the color cord for the bracelet and bring the two tips of the color cord together to create a doubled cord, then fold again.
- 3 Attach the eye onto the color cord by feeding the end with the tips through the loop end and tightening the cord around the eye.
- 4 Thread the MOMENTS charms onto the color cord.
- 5 Attach hook onto the remaining loop end by tying a knot.
- 6 Finish by placing hook inside the eye.
